#### **Eligibility for Membership**

*Independent scholars pursue knowledge in any field with scholarly intent, without the support of an academic institution, but with the goal of sharing the findings of their research and activities with other scholars, in a spirit of mutual support. Applicants are expected to provide evidence of the scholarly activities they describe in this application form.*

#### **Scholarly Interests and Activities**

*Please describe your scholarly research or other scholarly activities. This may include significant non-academic experience and achievements that inform your current research interests.*
